

# THAT'S LIFE

SD-220

Vocal by Pat Carnathan – Menifee, CA

## OPENER:

**Circle left.** That's life, that's what all the people say; your riding high in April, shot down in May.

**Left allemande, turn your partner right, left allemande** and **weave** it you know. That's life, and it ain't gonna change. **Swing** your girl and **promenade** the ring. \*Each time I find myself flat on my face I pick myself up and get back in the race.

## FIGURE (twice for heads, twice for sides):

**Heads (sides) square thru four** hands around, Find your corner lady **touch a quarter** and then. **Follow your** neighbor here, **left swing thru**. Take a peak, **trade the wave**, boys you **run right**. **Ferris wheel, centers pass thru**. **Swing** your corner, **promenade** her you do. \*Cause if I didn't think life was worth a try, I'd get back on a big bird and fly.

## *Alternative lyrics:*

\*But I know I'm gonna change that tune, when I get back on top, back on top in June.

## MIDDLE BREAK:

**Circle left.** That's life, and as funny as it may seem, some people get their kicks stomping on my dreams. **Left allemande, turn your partner right, allemande left** your corner girl and **weave** the ring. Well, that's life, you know it ain't gonna change. **Swing** your lady, **promenade her I say**. \*Each time I find myself flat on my face I pick myself up and get back in the race.

## CLOSER:

**Circle left.** That's life, and I can't deny it; I thought of quitting, but my heart just won't buy it. **Left allemande, turn your partner by the right**. An **allemande left** your corner, **weave** the ring. Well, that's life, and it ain't gonna change. **Swing** your own and **promenade** the ring. Each time I find myself flat on my face I pick myself up and get back; I get back in the race.
