Circle left. Don't mean to get a little forward with you; don't mean to get ahead of where we are. **Left allemande** your corner, **dosado** her **allemande** your corner lady, **weave** that ring. Heads (sides) square thru go **four hands** around now. All the way and do a **dosado**. **Swing thru, boy run** to the right, **bend the line** and a **right and left thru**, turn that girl tonight. **Flutterwheel** go straight across and everybody **slide thru**. **Swing** your baby once and all **promenade**. It's been too long since somebody whispered, "Ooohh, shut up and kiss me".

MIDDLE BREAK:

Use these lyrics for the Opener:

Don't mean to get a little forward with you; don't mean to get ahead of where we are. Don't mean to act a little nervous around you, I'm just a little nervous about my heart. It's been awhile since I felt this feeling that everything that you do gives me. It's been so long since somebody whispered, "Ooohh, shut up and kiss me".

Use these lyrics for the Middle Break:

Didn't expect to be in this position; didn't expect to have to rise above. My reputation for cynicism, I've been a jaded lady when it comes to love. But, oh baby, just to feel this feeling that everything that you do gives me. It's been too long since somebody whispered, "Ooohh, shut up and kiss me".
