OPENER:

Circle left. More than the greatest love the world has known. **Left allemande, dosado** your own baby, **left allemande, weave the ring.** More than the simple words I try to say I only live to love you more each day.

FIGURE (Twice for heads, twice for sides):

Heads (sides) promenade and travel halfway around. Walk in **square thru** four. All the way there, then go **right and left thru** and turn 'em. **Veer left, ferris wheel. Square thru three, swing** that girl, **promenade.** I only live to love you more each day.

MIDDLE BREAK:

Four ladies chain, rollaway, circle left. Four ladies rollaway, circle I say. **Left allemande, weave** the ring. More, than you'll ever know. My arms long to hold you so my life will be in your keeping, waking, sleeping, laughing, weeping.

CLOSER:

Circle left. Longer than always is a long, long time. **Left allemande, dosado, left allemande, weave** the ring. I know I've never loved before, and my heart is very sure, no one else can love you more.
