Opener & Closer:

Circle left. Can you hear me callin' out your name. You know that I'm fallin' and I don't know what to say. **Men star by the right hand** and go one time you know, **allemande left** that corner girl and you **weave** around that ring. Oh, I... I wanna be with you everywhere. Oh, I... I wanna be with you everywhere.

Figures (Twice for heads, twice for sides):

Head (Side) square thru, it's four hands you know. Find the outside two and **pass the ocean** now. **Spin the top** and then, **boy run** right. Do a **ferris wheel** and you walk on in tonight. **Pass thru, touch a quarter, scoot back, swing** that corner girl around and all **promenade**. Oh, I... I wanna be with you everywhere.

Middle Break:

Circle left. Somethin's happenin'; happenin' to me. My friends say I'm actin' peculiarly. **Men star by the right hand** and go one time you know, **allemande left** with that corner girl and you **weave** around that ring. Oh, I... I wanna be with you everywhere. Oh, I... I wanna be with you everywhere.

Complete Lyrics:

Verse 1

Can you hear me calling out your name? You know that I'm falling and I don't know what to say
I'll speak a little louder; I'll even shout. You know that I'm proud and I can't get the words out

CHORUS:

Oh I... I wanna be with you everywhere. Oh I... I wanna be with you everywhere

Verse 2

Something's happening; happening to me. My friends say I'm acting peculiarly
C'mon baby, we better make a start. You better make it soon before you break my heart
