Words and music by Phil Collins

Range

Tempo: 126 Beats Per Minute

Low = A4 (A below Middle C)

High = C#5 2 C#s above Middle C)

OPENER:

Sides face **grand square**. Come stop your crying; it'll be all right. Just take my hand, hold it tight. I will protect you from all around you. I will be here; don't you cry. **(Allemande and weave)** 'Cause you'll be in my heart, yes, you'll be in my heart from this day on, now and forever more.

FIGURES (Twice for heads, twice for sides):

Heads (Sides) **fan the top, extend** and then. **Swing thru, acey deucey** my friend. **Recycle** here, **veer left** tonight, **half tag, boy run** right. **Pass the ocean** now, **all eight circulate**. **Swing** the corner girl and **promenade**. *You'll be here in my heart, now and forevermore.

*You'll be here in my heart, always.

MIDDLE BREAK:

Sides face **grand square**. Why can't they understand the way we feel? They just don't trust what they can't explain. I know we're different, but deep inside us we're not that different at all. **(Allemande and weave)** And you'll be in my heart, yes, you'll be in my heart from this day on, now and forever more.

OPTIONAL MIDDLE BREAK LYRICS:

For one so small you seem so strong. My arms will hold you, keep you safe and warm. This bond between us can't be broken. I will be here; don't you cry. 'Cause you'll be in my heart, yes, you'll be in my heart from this day on, now and forever more.

CLOSER:

Sides face **grand square**. Don't listen to them, 'cause what do they know? We need each other to have, to hold. They'll see in time, I know. We'll show them together, **(Allemande and weave)** 'cause you'll be in my heart, yes, you'll be in my heart from this day on, now and forever more.

TAG:

Just look over your shoulder... I'll be there always.
